STEWARDSHIP THOUGHT - "On the evening of that day, the first day of the week, the doors being locked where the disciples were for fear of the Jews, Jesus came and stood among them and said to them, 'Peace be with you'" (John 20:19). Fear is the opposite of faith; that is the cringing fear we have in the face of something that is hostile to us and more powerful than we are. Jesus spends a lot of His time telling the disciples to not be afraid. Our fears constantly hem us in and prevent us from following the Lord's will. But there is no need to fear. Jesus has conquered. No fear can keep us locked up. We have been set free by Jesus for lives that declare His marvelous deeds. (from the LCMS Stewardship website) -The Board of Stewardship

Vacation Bible School at *The Incredible Race* will be an amazing adventure filled with excitement, so join us today! AFTER - **What it is:** A [new movie](#) came out April 12 based on an awful work of fan fiction that romanticizes abusive and unhealthy relationships. Sound familiar? Some are calling the story [50 Shades of Grey for teens](#). **Why it's disturbing:** Beyond the fact that they've decided to make another movie based on a dubious YA (Young Adult) book and that these books are labeled YA in the first place, it's disturbing how the movie was rated PG-13. It's squarely aimed at the teen market, but if the movie leads teens to the book series, they will find everything *but* PG-13 content, including graphic sexual encounters and, possibly more insidious, the normalization of toxic and abusive relationships. *After* is a perfect lust story that has little to do with love. If you have teens who are interested in the movie, start a conversation about what it means to love someone and how movies do an excellent job of making something that is *not* love look romantic and exciting.
