STEWARDSHIP THOUGHT - "He said to them, 'Cast the net on the right side of the boat, and you will find some.' So they cast it, and now they were not able to haul it in, because of the quantity of fish" (John 21:6). Won't the disciples ever learn? Jesus pulled this same trick before. When the odds seemed completely against it, the Lord gave them a command to let down the nets, a command that seemed crazy. But they complied, and He blessed their obedience. When will we learn this lesson, too?

STEWARDSHIP CHALLENGE OF THE MONTH - The month of May is a time of graduations, as well as celebrating Memorial Day. So, for the month of May, the Stewardship Board Challenges you to reconnect with and support a graduate, or military family. Do you know of a high school or college graduate? A neighbor, with family stationed over-seas. Or a newly returned soldier dealing with the challenges of integrating back into "normal" life? How can you reconnect with them and share God's love and hope for the future? Can you pledge to write letters of encouragement to graduates as they go out into the world and pray for them regularly? Can you help a military family with a listening ear, childcare or meals? Blessings on whatever God places on your hearts to support those in their unique situations. Here are some resources that may be helpful.

The LCMS site includes a page aimed toward Ministry to the Armed Forces <https://www.lcms.org/ministry-to-the-armed-forces>. It includes an information sheet on how to support them, Ministry-by-Mail, as well as other congregational resources, such as care package instructions. The Lutheran Hour with the American Forces Network has a series of sermons tailored toward the military <https://www.lutheranhour.org/afn/>.

LINE OF CREDIT CHALLENGE - Any money donated to the Line of Credit between now and the 12th of May will be MATCHED up to \$10,000!! What a blessing and opportunity for us to pay down on our balance.

Kids will discover we are all part of the same race, the human race, as they enjoy songs, crafts, games, goodies, and dramas. Vacation Bible School at *The Incredible Race* will be an amazing adventure filled with excitement, so join us today! AFTER - What it is: A [new movie](#) came out April 12 based on an awful work of fan fiction that romanticizes abusive and unhealthy relationships. Sound familiar? Some are calling the story [50 Shades of Grey for teens](#).

Why it's disturbing: Beyond the fact that they've decided to make another movie based on a dubious YA (Young Adult) book and that these books are labeled YA in the first place, it's disturbing how the movie was rated PG-13. It's squarely aimed at the teen market, but if the movie leads teens to the book series, they will find everything *but* PG-13 content, including graphic sexual encounters and, possibly more insidious, the normalization of toxic and abusive relationships. *After* is a perfect lust story that has little to do with love. If you have teens who are interested in the movie, start a conversation about what it means to love someone and how movies do an excellent job of making something that is *not* love look romantic and exciting.
