What is God responding to? (*How have we wearied God?*)

Who prepares the way?

When does the Lord come?

- .
- .

Which of these do you struggle with?

How can you follow them better?

What is the new covenant (Heb. 12:24)?

How does this relate to Baptism, the New Creation, and the Saint/Sinner Paradox?

Robbing God

What was God's complaint against?

How are we robbing Him?

What is a tithe? And, how much does the average American Christian give every year?

It takes discipline to live in love. In what tangible way will you return to God, living in His love, this week (1 Corinthians 16:2)?
